Dear Parents/Guardians,

The Department for Education made it compulsory to teach Relationship Education in all primary schools. This year, we will continue to use the 'Life to the Full' programme produced by the Catholic educational organisation Ten Ten Resources. A scheme which has been approved by the Diocese of Salford. This keeps the church's teachings and Catholic morality at its core. We appreciate relationship education can be a sensitive subject and parents are considered to be 'the first educators' on these matters.

Life to the Full is much more than a series of lessons. It is an entire platform of creative resources that aims to engage, inform and inspire our children and, indeed, you as parents. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

In line with our school's Relationship and Sexual Education policy, Parents and carers will be informed by letter when the more sensitive aspects of RSE will be covered in order that they can be prepared to talk and answer questions about their children's learning.

Life to the Full contains an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: www.tentenresources.co.uk/parent-portal
