

Our Outreach Team and partners deliver other groups/courses across our centres.

For more information contact your local Children's Centre:

REAL

Raising Early Achievement in Literacy - A 6 week course for children over 2yrs old to attend with parents/carers to promote ways in which you can support your child's literacy development.

CAPS Baby Incredible Years

A 6 week course providing parents with information and ideas to support attachment and bonding. For babies 0-4 months.

CAPS Incredible Years Parenting Programme

A 14 weeks course building parents skills and confidence in managing challenging behaviour, developing relationships and supporting your child's development. For children 2yrs-4yrs.

Weaning Sessions

Session to provide advice and support through the weaning process. Held once a month at Moston Children's Centre. To book your place call the Health Visiting Team on 0161 684 9264.

Outreach Service

Our team of Outreach Workers are available at all our centres to support families with children 0-5yrs.

Outreach Workers can support you with a variety of areas such as money issues, home safety equipment, child development, parenting, childcare, adult education...and many more.

Early Help Assessment

Our Outreach Worker's use the Early Help Assessment Tool for our families requesting extra support. This assessment tool is a conversation to ensure you receive the right support to achieve the best outcomes for your family.

If you feel you would benefit from a conversation with a member of our outreach team, please call your local Children's Centre.

Bump to Baby Programme

5 week antenatal programme for mums to be, dads and birthing partners to help navigate the early stages of parenthood which covers bonding, attachment and baby care.

Baby Bag Sensory Course

6 week sensory sessions promoting the importance of sensory play with babies. Attendees also get a bag of sensory equipment.

The Northern Contraception Clinic
